[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on company accounting system records.

[7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors' Docket No. 12841 (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Notes:
[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.
[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. [5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' *Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors* (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors' (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors' (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:
[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.
[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
[5] Associated leases represent the oil and gas leases that are associated with or related to the text underlying contract.
[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
[8] Reference is hereby made to the Debtors' *Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors* (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors' (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

Schedule of Assumed Contracts

Notes:
[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.
[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors' (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by any such contract or lease or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

- [1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.
[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).
[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.
[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.
[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.
[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.
[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors' (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on company accounting system records.

[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors (Docket No. 1284) (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-emption accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' *Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors* [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed

treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

Schedule of Assumed Contracts

Notes:

[1] The inclusion or exclusion by the Debtors of any contract or lease on this schedule shall not constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Post-Effective Date Debtors or their respective affiliates has any liability thereunder.

[2] The Debtors reserve the right, in their reasonable discretion, to further amend this schedule to add or remove any executory contract or unexpired lease for any reason, including executory contracts and unexpired leases that are subject to an Assumption Dispute (as defined in the Plan).

[3] Known Contract Counterparties represent parties listed in actual agreements and/or vendor names.

[4] The Debtors continue to review the contracts listed on this schedule to determine the appropriate Debtor entity. To the extent the Debtors are able to identify the proper Debtor entity for the contracts to which no Debtor entity is currently listed, the Debtors will file an amended schedule prior to the confirmation hearing to reflect this information.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.

[7] Estimates based on open pre-petition accounts payable balances. Cure estimates were adjusted to zero for completed trade agreements.

[8] Reference is hereby made to the Debtors' *Fourth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors* [Docket No. 1284] (including any exhibits and schedules thereto and as may be further amended, supplemented, or modified, the "Plan"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. The proposed treatment set forth on this Schedule of Assumed Contracts is for informational purposes only. In the event of any conflict between any of the Credit Bid Purchase Agreement, the Definitive Documents or any other documents relating to any Plan of Merger (collectively, the "Transaction Documents"), on the one hand, and this Schedule of Assumed Contracts, the applicable Transaction Documents shall control.

[5] Associated leases represent the oil and gas leases that are associated with or related to the same underlying contract.

[6] Related lease parties represent current lease co-working interest owners and JIB partners based on Company accounting system records.
